Message from the Principal's Office

Dear Parents, Students, Staff and Friends of Al Amanah College;

All praise and thanks are due to our Exalted God "Allah", the Creator of all and to Him belong the endowments and proper commendations. I ask Him to bestow upon us guidance and wisdom. May Allah raise the rank of Prophet Muhammad, and protect His nation from that which He fears for it.

CONGRATULATIONS & WISHES

On behalf of Al Amanah College staff, I would like to extend my best wishes and congratulations to the whole community of Al Amanah College on both glorious occasions of **Eid Ul-Adha AL Mubarak** and the **New Hijri year**. I ask our **God** the Almighty **ALLAH** to make this year full of tranquillity, peace, and happiness for all parents, students, staff members and all Muslims in the world.

SCHOOL AIM

At Al Amanah College, our mission is to cultivate and sustain a collaborated environment that nourishes superbness in teaching, service and community engagement. Our aim is to provide a broad and balanced curriculum for all children in keeping with the requirements of NESA by our highly experienced teaching staff members to address the needs of all students, develop their skills and nurture their efficiency and learning performance for a high productive scholastic future.

ACTIVITIES

We have commenced Term 3 by handing out the students' reports along with parent teacher scheduled interviews by phone only due to the restriction

of COVID 19. Our teaching staff worked on the assessment of new kindergarten students for 2021. Thanks to all our teachers who exerted so much efforts to organise all the great activities which challenge our students' performance learning, knowledge and skills.

REMINDERS

All parents are again reminded to the following:

- To exercise social distancing when attending the school's office and during pick up and drop off routines
- To enter the school site for essential services only, and avoid gatherings before and after school.
- To ensure that their children arrive the school on time since punctuality will maximise their learning performance and nurture their productive future.

Finally, I would like to thank all parents for their continuous cooperation, our dedicated teachers and our staff for their striving mission. I am looking forward to vitalising supplemental partnership and healthy communication between our school and the whole community of Al Amanah College.

I wish you all the very best, and I ask Allah to protect our children, our families and our communities from any form of harm, calamities or illness.

Principal

Yours Sincerely,

Bassam Adra

ATTENDANCE

It is important that your child arrives at school on time (8:20 a.m.). Children like to have a few minutes before the day starts to do things such as catch up with friends.

If your child arrives late (after 8:40 a.m.), you will need to get a late slip from the front office; this is the same process if you are taking your child out

of school early for any reason. The time is noted in the teachers' Attendance Register and is considered a Partial Absence. This Partial Absence

is then noted on your child's report. Students will need to get a late note from the office if they arrive to school after 8:40 a.m.

As the school is responsible for the welfare and safety of students, it is necessary for us to know their whereabouts at all times. If parents wish to

collect children during school hours, they must go to the office first to sign their children out of the school. Written permission is required from the

parents or guardians for any other person to collect your child and identification must be sighted.

GOOD ATTENDANCE FOR SUCCESS

**Every Minute
in School Counts**

LOST PROPERTY

Make sure that all school items and clothing are clearly labelled with name, class and school.

Students are not to bring valuable items to school, as the school will not be held responsible for any lost items. If something has been lost, ask about the item at the front office.

CANTEEN

The school canteen is open each day for recess and lunch. Students may place a lunch order by bringing the correct change for food that they wish to purchase. Please place lunch order money in a sealed envelope and indicate whether it is a recess or lunch order. A menu and price list was provided to all students at the start of the school year.

Parents will need to complete the canteen permission note in order for their child to purchase from the canteen. Parents can help their child to concentrate and achieve to the best of their ability at school by packing a healthy, substantial lunch every day.

MATHS ESCAPE ROOM CHALLENGE

On Tuesday 18 August the Mathematics Committee organised a Summer themed Escape Room Challenge for 3-6 quiz winners. The chosen students had 20 minutes to work together in small groups to solve many mathematical puzzles in order to discover the secret phrase to unlock the beach esky. Students had a very enjoyable and engaging experience.

Active Spelling Hangman

YOU'LL NEED:

1. Select a 'hangman' and a guesser (or guessers if playing with siblings). You can play with chalk on concrete or paper and pencil.

2. The hangman chooses a word for the guessers to spell. Draw a small line for each letter of the word. EXAMPLE - if you select the word 'hangman', you would draw 7 small lines.

3. The guesser says one letter each turn. If the guesser says a letter which is NOT in the word, they need to do 5 lunges AND the hangman draws one new line of the picture. If the guesser says a letter which IS in the word, then the hangman does 5 star jumps and writes the letter on the small lines they drew earlier.

TIPS - Change actions to leaping, hopping or running on the spot to keep it interesting. Encourage children to guess vowels first as these are in all almost all words!
