HSC exams will proceed for all students from 9 November 2021 in a COVID-safe way.

Students should be at school from the date indicated for their year group unless they are unwell.

Drop-offs and pick-ups

Drop-offs and pick-ups will be by staggered groups and all entrances and exits will be used to start and finish school days. Primary School will finish at 2:45pm, High School will finish at 3:30pm.

Please follow the physical distancing rules, avoid gathering outside gates, remain off school grounds and wear a mask.

Stay in the car. Sign-in procedures are required if entry is approved by Principal.

Ventilation

Open or well-ventilated spaces reduce the risk of transmission of COVID-19 because infectious particles are more quickly diffused in the open air than in spaces with less ventilation. Outdoor settings will be used where practicable.

Vaccination

All adults on school sites must be fully vaccinated against COVID-19, including employees, contractors, volunteers and essential visitors. Students aged 12 or above are now eligible for a COVID-19 vaccination. Parents and carers can book in a Pfizer or Moderna vaccine now.

Masks

Masks will be required indoors for all staff and students. Year 7 and above and masks are strongly recommended indoors for primary school students. Students should bring their own masks where possible, the school will have back-up supplies just in case. Masks are also required for all travel on public transport for children 13 year and older.

Visitors

Only essential visitors are allowed on school sites. All visitors are required to wear a mask and sign-in using the Service NSW QR code when entering the school.

Hand hygiene & cleaning

Students will be reminded to wash their hands often. Sanitisers, soaps, paper towels and other essential items will be readily available for students. Enhanced site cleaning will continue.
