MESSAGE FROM THE CHAIRMAN

I thank Allah the Lord of the worlds, and May Allah raise the rank of our Master Muhammad peace be upon him, and protect his nation from all he feared for it.

Since 1998 Al Amanah College has progressed steadily not only in key learning areas but in building foundations that institute a highly qualified staff who are equipped with the latest modernised resources in both the educational and assets sectors.

The College’s commitment to consistent joint effort between school and carers, has undoubtedly assured the academic excellence evident in the students’ performances in the NAPLAN and HSC examinations this year. These outstanding achievements were pleasantly received and welcomed by of our community.

Al Amanah College operates from two campuses, Bankstown and Liverpool, with up to 850 students whom are culturally diverse. Arabic and Religious Studies form an integral part of our school curriculum for which the College offers an accredited diverse bilingual teaching curriculum.

Earlier this year the College Board of Directors has recommended an educational administrative leadership alteration resulting in the appointment of Mr Bassam Adra as Principal of Bankstown campus and Mr Alwan as Principal of the Liverpool campus. Mr Adra has educational managerial expertise with Islamic knowledge which the Bankstown campus community will be enjoying for years to come. Mr Ayman Alwan has been elevated from a Deputy position to Principal of the Liverpool campus.

Mr Muhammad El Dana has embraced a higher position and extended roles in the educational and managerial hierarchy. He has been appointed Head Principal for both Al Amanah campuses. We note that Mr El Dana will also take on the role of Educational Director of Al Amanah’s sister schools, Salamah College in Sydney and Glenroy Private in Melbourne.

On behalf of the College Board and school community I congratulate Mr El Dana, Mr Alwan and Mr Adra for their new positions. We are very optimistic that the new path of team leadership will facilitate services and advance our success. Furthermore, would like to sincerely thank the staff members, students and their parents for the trust they have in our college.

I congratulate all students for their successes and look forward to our 2015 graduates being future leaders in the community.

I remain faithful to our school’s advancement in the future, Insha’Allah.

Yours Truly,

Dr Ghayath Al-Shelh OAM
Chairman
The Student Representative Council (SRC) of 2015 has played an important and active role in the school community. The role of the SRC is to promote the views of students and to encourage students to become actively involved in their school’s functions and events. By becoming more involved in the running of their school they will gain respect from their peers while at creating a more harmonious environment in which students and teachers can interact. The SRC team of 2015 has taken strides to fulfil their duties as responsible young Muslim Australian leaders to Al Amanah College and the wider community whilst building on the core values of the school.

Throughout the year, the SRC has come together firstly at the SRC Induction where they were formally inaugurated as members, with their proud parents looking on. This was followed closely with the SRC Breakfast where students were able to voice their concerns, issues and proposals to the executive staff of Al Amanah. Building upon this tightknit foundation, students were able to develop team and leadership skills by embarking on an SRC excursion to Treetop Adventure Park which took place during the latter weeks of Term One. It was a chance to network and collaborate with other young SRC leaders across the year Three to Twelve cohort. It was an opportunity to learn, and grow into a team that looks towards bettering this community. The excursion involved many different learning activities and team-bonding sessions, which complemented the enduring and challenging high ropes courses.

**Students Representative Council aims to:**

- Provide effective representation of students through communication with and between students, staff and the community.
- Provide a forum for student opinions, ideas and attitudes.
- Provide the students body with an opportunity to contribute to school decisions.
- Provide leadership in representing the opinions, ideas and attitudes of students.
- Helping with school policies e.g. anti-bullying policy, homework, mobile phones, healthy eating, code of discipline, uniform, punctuality etc.
- Making suggestions about improving school facilities.
- Organising extra-curricular activities.
- Promote school and community spirit.
- Carrying out surveys and questionnaires.
- Organising school events.
- Encourage pride in achievement.
Fundraising Initiatives

Amongst the many roles of the SRC committee is their commitment and dedication to the fundraising initiatives for both the school and much needed non-profit community organisations. These fundraising events entailed the following:

- **Islamic Wear Day**: On the auspicious occasion of the Birth of Prophet Mohammad’s (peace be upon him) and other Islamic occasions by promoting religious practices and the students’ cultural background.

- **Administrative Breakfast**: The SRC primary and secondary held a breakfast with the executive staff and teachers to express their ideas and considerations about future initiatives and fundraising ideas for the school.

- **Harmony Day**: The school takes pride in celebrating our successes as a culturally diverse society. The day was overflowing with orange-themed students, food, decorations and activities. The day was a great success and students contributed by fundraising for the school via numerous contributions of cakes and ice-cream.

- **SRC excursion**: The SRC excursion was held in Term One of 2015 at TreeTop Adventure Park. The students tested their endurance and overcame fears along the course - effectively achieved through team work. The day was heralded as a success and students gained a closer bond with their SRC peers and teachers.

- **Fundraising**: Throughout the year, students from the SRC were involved in various fundraising initiatives including cake and spider drink days and Sport Carnival Pizza days to raise money for various projects within the school.

- **Chocolate fundraising**: Primary and Secondary SRC students sold chocolates to raise funds towards various school initiatives.

- **Eid Fete**: In collaboration with the Arabic staff, the Eid Fete was organised whereby students had the opportunity to have an enjoyable time on the jumping castles and gladiator rock n roll. They were able to indulge in sweets, cakes, fairy floss and popcorn.

- **Gold Week**: The SRC and the school community raised much-needed money to support the Sydney Children’s hospital. Students were encouraged to wear the colour gold to acknowledge the event. The SRC hosted cake, corn, spider drink
stalls and custard dipped bananas to raise money for the Sydney Children’s hospital at Randwick.

- **Orphan Donation:** SRC and students played an active role in raising much needed funds for a Darulfatwa Islamic High Council Orphanage in Indonesia. A big thank you to everyone who contributed generously to this worthy charity.

- **Talent Quest:** The SRC organised a talent quest in Term Two to encourage students to showcase their skills. These types of events recognise the different talents students possess and encourage a sense of community within the College.

- **Fundraising:** The SRC team helped to plan term fundraisers which included selling cakes, delicious cheese pizza, Zooper Doppers and popcorn. These fundraisers were all very successful and helped SRC members to develop organisational skills and enhance their ability to advertise a whole school event.

- **School Assembly Reports:** SRC members were active during the weekly school assembly with the students taking turns to promote fundraisers and promote our school values through reminders about school responsibilities. Public speaking skills were enhanced as well as learning how to make a positive impact on the school and community environment.

- **Eid Fetes:** The SRC students were encouraged in their weekly meetings to share ideas on stalls for our annual school Eid Fetes. SRC students were given the opportunity in setting up these various stalls as well as advertise the various activities that were run on these days.

- **School Vegetable Garden:** The school vegetable garden was developed in 2014 and the 2015 SRC members organised a term timetable for all classes across the school to be actively involved in maintaining the garden. Classes were required to water the veggie patch as well as encouraged to use the delicious vegetables to make salads.

Al Amanah College SRC has developed a Master Plan, a vision for a more modern and improved College to facilitate the learning, growth and well-being of the Al Amanah family. This vision encompasses the implementation of Al Amanah core values of Integrity, Compassion, Wisdom, Work Ethic, Positivity and Commitment into the wider school community. The SRC team of 2015 has set stride and precedent for the years to come. We are consistently working to build upon the great community and culture that is Al Amanah College, hopefully leave a lasting legacy. We look forward to our next SRC team for 2016 which will be part of a new direction and vision for the SRC and the school. A big thank you goes out to all the dedicated and diligent SRC members, students and staff who made this year a remarkable one.
Overview

Al Amanah College is a non-selective co-educational, Islamic faith based college, operating from two campuses, Bankstown: K-6 and Liverpool: K-12.

The College is committed to pursuing academic excellence and the fostering of individual abilities in a caring and challenging educational environment. The College motto 'Success through Knowledge' has a powerful and continuing message for the school's community to achieve success by acquiring the necessary knowledge and skills.

The College was first established at Bankstown, where classes commenced with 88 students K-Yr3 in 1998 and from there the school grew rapidly. The Bankstown campus has reached 219 students (K-6) in 2014.

In 2002 the College grew further through the opening of the Liverpool Campus with 168 students, where secondary classes commenced with Yr7 then expanded to year 12 in 2007. The Liverpool Campus is located in the heart of Liverpool City catering for K-12 with approximately 600 primary and secondary students (2014).

The school is multicultural, with almost 100% of students from language backgrounds other than English, predominately Arabic. As Arabic and Religious Studies form an integral part of our school curriculum, extra teaching staff for Arabic and Religion are employed for this purpose. Parents and the local community are encouraged to support the school through participation in school programs and ongoing provision of additional school resources.

Al Amanah College is considered to be a major institution catering for the cultural needs of the Muslim community and a school that offers a diverse bilingual teaching curriculum. For this reason, the college has become an attraction to parents who see in it a bright and distinguished future for their children.
The Educational Program

Al Amanah College aims to provide and sustain quality education, Islamic studies and Arabic language as a second language. At Al Amanah College a comprehensive curriculum is offered with a well-developed academic program. The school timetable is organized around seven 45 and or 50 minute periods in three blocks, with two breaks. Our Behaviour Management Program does not allow corporal punishment. It is based on restorative justice and positive behaviour intervention systems. The focus areas are Learning, Respect and Co-operation, and there is a strong emphasis on developing positive, peaceful student-student relationships.

Our Vision: Pursuing Academic Excellence

Al Amanah College is committed to pursuing academic excellence and nurturing the individual abilities in a caring, educational and Islamic environment.

School Philosophy

We believe that education fosters skills and attitudes for lifelong learning and that the learning process can only be successful with good preparation. That everyone must bring a positive attitude to learning and that learning occurs when everyone is an active participant. The school's philosophy is firmly based on the belief that every student has the ability to learn. It stresses the development of initiative, integrity and self-discipline. The school believes that each student's happiness, confidence, feelings of security and sense of belonging is dependent upon an environment where all members are considerate and courteous to each other.

Curriculum

Strong emphasis given to the professional development of staff, good teaching practice combined with knowledge of the NSW Australian curriculum and new technology ensures that Al Amanah College reflects the modern practice.

Al Amanah College offers a wide range of subjects and co-curricular activities. Subject handbooks provide specific information about individual subjects. The curriculum of Al Amanah College provides all students with the opportunity to enhance and showcase their talents in preparation for an active and productive life beyond school. Our dynamic, relevant curriculum reflects society’s diverse expectations through negotiation with informed, caring parents and teachers. Students learn to take control of, and be responsible for, their education
and the opportunities it brings. Our students develop confidence in themselves as lifelong learners.

**This vision is underpinned by the following:**

- For all students, educational opportunities are provided in a safe, stimulating environment.
- Learning is relevant, challenging and interactive for all students.
- Enthusiastic and dedicated teachers inspire our students.

**Aims of the College**

- To provide excellent education, offering a broad academic curriculum and a wide range of extra-curricular activities;
- To prepare students within a disciplined school community to be broadly educated, responsible, confident, empathetic and compassionate contributors to the wellbeing of society;
- To encourage the balanced development of the intellectual, emotional, physical, cultural and spiritual elements of each student's life in an enjoyable atmosphere;
- To provide an educational environment that promotes the spirit of inquiry and skills for life-long learning and the attainment of each student's potential.

*Further contextual informational about Al Amanah College can be located on the My School website: [http://www.myschool.edu.au](http://www.myschool.edu.au).*
The school’s growth and ongoing sustainability were priorities in 2015. The school’s vision and goals were the drivers for the staff, students and parents. The stakeholders of the school get to become one whole community. Bringing up young Australians to make positive contributions to the community is a lifelong commitment.

The school leaders, administration and teaching staff committed to ongoing professional learning as well as collaborative teaching and planning. Staff regularly shared ideas and classroom strategies to improve school pedagogy. Staff meetings and in-services saw teachers benefit through their teaching and learning from each other.

In 2015, ICT continued to be a priority which saw more teachers and students using the E-learning platform. Teachers received training in order to build confidence in ICT strategies in the classroom. Many strategies were linked to the new Australian Curriculum.

Parent communication and community sharing was strengthened through the use of online platforms and messaging systems. Parents found the open communication to be very beneficial as they felt part of the school community.

A strengthened parent / teacher partnership throughout 2015 has seen a stronger growth mindset across the whole school.
School Performance in National Assessment Program - Literacy and Numeracy

Students in Year 3, Year 5, Year 7 and Year 9 sat the National Assessment Program in Literacy and Numeracy (NAPLAN) again this year. NAPLAN assessment results provide valuable information about student achievements in literacy and numeracy. The performance of Al Amanah College’s students indicates outstanding results in many areas of both literacy and numeracy across the 2015 NAPLAN years.

The results are reported against achievement bands with 6 bands assigned to each year level:

- Band 1 - Band 6 for Year 3
- Band 3 - Band 8 for Year 5
- Band 4 - Band 9 for Year 7
- Band 5 - Band 10 for Year 9

The individual student report shows a comparison of the student’s result to the national average for the year. The lowest band indicates a student is achieving below the national minimum standard and the second lowest band indicates the student is achieving at the national minimum standard.

Enrolment Policy

Al Amanah College is a comprehensive co-educational K – 12, school offering education underpinned by Islamic values and operating within the requirements of the BOSTES. The purpose of this document is to assist the School in providing and implementing a step-by-step application and enrolment process which provides a transparent and consistent reference point to both those seeking enrolment and those responsible for enrolment at the school. All applications will be processed in order of receipt and consideration will be given to the applicant’s support for the ethos of the school, siblings already attending the school and other criteria determined by the school from time to time. Once enrolled, students are expected to support the school’s ethos and comply with the school rules to maintain the enrolment.

Procedures

Waiting list

Families wishing to enroll their children and siblings at the school must follow the enrolment process outlined below. This means that a child may be recorded on the waitlist in order to be considered according to the School’s Best Practice Guidelines; however, this does not mean that enrolment is guaranteed.

Notification for interview and assessment

If parent and child do not attend the interview or the entrance assessment the child’s name will be removed from the waitlist. All placements are subject to withdrawal of offer by Al Amanah College, should circumstances under which the offer was made alter prior to enrolment.

Enrolment Considerations

It is essential that parents have an understanding of Al Amanah College Philosophy and a desire for their children to participate fully in the life of the school. Once a child is enrolled, parents are advised to further their knowledge of Al Amanah College as their child progresses through the school by attending all Parent Evenings, visiting the school, and supporting the college ethos and principles.
Before a child is offered a place at Al Amanah College, the following factors are considered:

- Interview and Classroom Appraisal (entrance exam, previous school report).
- Current student numbers, application date, age, balance in the classroom, child's readiness for school, learning needs, academic and behaviour record.
- Sibling priority is not guaranteed. Preference will normally be given to siblings of children attending the school, provided the family has continued to demonstrate support for the school.

**Conditions for Acceptance**

On acceptance of the offer of a position the following conditions must be agreed to:

- That a non-refundable, non-transferable $150 Enrolment Fee in Advance is paid.
- That once students are enrolled they are expected to support the school’s ethos and comply with the school rules to maintain the enrolment.

**Probationary Period**

In certain circumstances there is a probationary period of one (1) term for new students. At the end of the probationary period, parents are advised of the continuation or termination of their child's enrolment. The probationary period may be extended at the discretion of the School Principal or his delegate. If the child is withdrawn within the probationary period, the balance of the tuition fee only (excluding building fund payments and the Enrolment Fee in Advance) is refunded for that term. After the probationary period has lapsed, no refund is applicable.

**THE ENROLMENT PROCESS**

**Step One – Expression of Interest Form**

- All new applicants wishing to enroll at Al Amanah College need to complete the Expression of Interest Form which can be forwarded to the school at any time for consideration, however within an appropriate time frame prior to an interview process.
- The Expression of Interest form for new students requires a basic student information, school connection and family information.
- The form is returned to the Enrolment Officer, an acknowledgement letter is sent and student information is entered on the school’s database.
- An interview may be required for new students.
Step Two – Student/Family Information Form

- All those who have completed an Expression of Interest Form are contacted by the Enrolment Officer prior to the entrance exam. The Information Form accompanies a letter regarding the enrolment process and includes the Enrolment Contract and current Fee Schedule.
- On completion of the Information Form, these are returned to the Enrolment Officer where they are checked for completed information.
- Where documentation is missing, families are contacted to provide the appropriate data.
- Once documentation is complete the Enrolment Officer arranges an interview with the Principal or his delegate if required and will notify the parents of the entrance exam.
- The Information Form and any other necessary documentation is required to be returned by a specific date and the entrance exam and interview process where applicable cannot proceed unless the Information Form is completed by that date.
- Where additional information or reports are required, the enrolment application process may take longer.

Step Three – Interview

- A formal letter will be posted to inform parents about the date of the entrance assessment and interview. This normally takes place in term 3 of each year.
- For annual intake of students, interviews with the family and the applicant, where applicable are held up to a 2-month period as arranged by the Enrolment Officer.
- It is the school’s responsibility that parents/guardians be made aware of full and frank disclosure requirements when completing the Information Form. This includes advising parents/guardians that failing to provide relevant details and assessments may result in the cancellation of an enrolment interview.
- Parents/guardians will be required to discuss their financial capacity to pay fees and the options open to them to do so in fee and voluntary contribution payments.

Step Four – Notification of Outcome of Interview

- The enrolment officer informs the applicant the family by phone or through a letter of an offer of enrolment.

At Al Amanah College our aim is to focus on positive behaviour rather than inappropriate behaviour by rewarding students with merit awards, class incentives, excursions and fun days. We believe it is more effective for students to evaluate their own behaviour by using the school behaviour expectations matrices.

School Rules/Discipline Code

We have designed Restorative Behaviour Management (RBM) which has been implemented in the classroom and the playground. The school behaviour expectations matrix will be displayed in the classrooms, office and the hallways. Parents will obtain a copy of the discipline policy and the Restorative Behaviour Management (RBM).

The College will endeavour to provide appropriate support for gifted students as resources permit, taking into account the social, emotional and educational well-being of the students concerned. Families must also recognise their role and responsibility in catering for their gifted children and work cooperatively with the school to provide suitably enriching programs for their children.

At any stage of the planning, development and implementation of a policy for gifted and talented students there should be evaluation of:

RESPECT AND RESPONSIBILITY

The culture at Al Amanah College is marked by respectful relationships, with each individual taking responsibility for his or her own actions. Many activities within the school foster civic responsibility and give students the opportunity to contribute to the local community and wider society. A wide range of social activities were developed to promote respect and responsibility in students. Al Amanah College asks all students to recognise that they are valued and that they form an integral part of the school community, with parents and staff providing the care and support that engender self-esteem, mutual respect and responsibility. Being an Islamic school, Al Amanah College takes seriously its requirement to develop pro-social skills within its students, including the development of respect and responsibility.

A clear anti-bullying policy is well promoted within the school through various posters and other written and graphical materials. It is summarised in every student’s school diary. When bullies and their victims are identified, appropriate counselling and sanctions are used. Respect and responsibility are typical qualities which are embedded in the teaching of Islamic values such as fairness, honesty, compassion, courtesy and good citizenship to develop positive and productive attitudes that young people need.

PARENT, STUDENT AND TEACHER SATISFACTION

Al Amanah College has an “open door policy” with parent involvement welcomed. The college strives to maintain and strengthen links with parents and the community, sharing educational and social responsibilities. The school relationship with parents is very productive meeting many objectives due to a close understanding of their concern. Working together in partnership with parents and the community to identify the needs and the priorities helped the school to plan for a better future. The level of parents’ involvement in the school activities is high, discussion with parents throughout the year indicated that parent satisfaction is extremely positive.

The school treats students and others with professionalism and fairness empowering them with positive attitudes, catering for their needs, stimulating and inspiring them while maintaining order and discipline in their proper perspective. The key issue is to maintain the vision and build a good rapport with students with firm and positive attitude. Al Amanah College operates a Peer Support program which provides the students with opportunities to develop skills for
life, resilience, effective communication, risk-taking and conflict resolution. In 2015 throughout many school activities Al Amanah College has continued to collect data from the students and the data showed high level of student satisfaction that they felt safe and happy.

Al Amanah College works with people and through people to achieve goals that are consistent with the generalized belief system to which the school community has contributed. The level of commitment is generally related to the degree of contribution. Success and effectiveness of the school depends on the quality, commitment and performance of the staff. The school continues to employ suitable and quality staff, recognizing quality individuals whose enthusiasm for school oriented tasks is very crucial. However, an induction program for new staff with a planned professional development program is in place to enhance and further develop staff skills. It is obvious that the school management focused on raising the level of staff commitment by increasing their level of motivation, involvement and satisfaction. Thus in times of limited resources, commitment will depend on involving staff to ensure that causes of dissatisfaction are removed and that opportunities for satisfaction are increased. Informal feedback from teachers and discussions with the Curriculum Coordinators indicates that during 2015 staff were generally very satisfied in all areas of our school.
